- Eternity exists for God's glory.

### BIBLE STORY: REVELATION 4:8-5:15

John's exile to the Island of Patmos became much more than a prison sentence. While on the island, he experienced a vision about God and future events. His vision shows how God has always been, is now, and will always be. Not only is God eternal, He gives eternity to man.

### STORY: NEW CREATION

Part of the beauty of the gospel is that God does not just rescue us from the power of sin, but He is also making everything new. God offers new creation to those who place their faith in Jesus. This newness comes in two ways. The first is that by breaking the power of sin, Jesus is making men and women into brand new people with new identities. Second, God is not only making people new, but He is also going to make a new heaven and a new earth for us to live on and worship Him in.

### BIG AIMS

#### Every child should know that:

- God offers us a new relationship with Him through Jesus

#### Every child should feel:

- Valued by God because of the new relationship He offers

#### Every child should:

- Remember the sacrifice of Jesus that makes it possible to have a new relationship with God

#### Every child should want:

### FAMILY DEVOTION: ETERNAL GLORY

God is the most glorious being of all beings. Everything that He does is for His glory because only He is worthy to be praised. He gives eternity for His glory and receives glory from our praise to Him in eternity.

Bring in small plastic cups, a bag of rice, and plastic spoons. Give each child a plastic cup with rice in it, an empty cup and a spoon. Ask the children to move the rice to the empty cup one grain at a time with the spoon. As they try to do this, explain to them that it would take a really long time to move the rice one grain at a time. Ask them to imagine how long it would take to move all of the rice in the world one grain at a time. Tell them that eternity is much longer than that. Eternity is forever.

## HOOKS

**Worthy To Be Praised**

Divide the children into small groups and give each group a piece of paper, markers and craft supplies. Ask the groups to draw pictures that show things we can praise God for, such as His love, provision for us, and eternal life. Allow the groups to share their pictures and discuss how God is worthy to be praised.

**The Beginning of the End**

Use masking tape to create a line from one side of the room to the next. Ask the children to take turns walking on the line. Ask the children to return to the beginning of the line and then walk to the end. Once every child has a chance to walk the line, lead them in a discussion about how God has no beginning and end. He is the beginning and end of all things.

- God is eternal and always has been.
- We have a beginning and we'll have an end, but God does not.
- He is our beginning and end because He is the Creator and Ruler of all.
