BIBLE STORY: 1 SAMUEL 1:1-2:11

Children are a gift from the Lord. For many years, Hannah prayed that God would give her a child. She wept before the Lord because her heart greatly desired to have a child. God gifted her with a son, and when he was just a few years old, Hannah gave her son back to the Lord by taking him to the temple to serve with the priest, Eli. God is the giver of all life and He gave Hannah Samuel just as He gives every parent their children.

STORY: CREATION

God created everything. Everything we see, hear, feel, taste, and that exists was created by Him. Not only did He create everything, but He created everything perfectly, including humanity. He created mankind in His very image and likeness to reflect His worth. All of creation was made just like He wanted and designed it to be. To His delight, God looked at everything He made and declared that it was good. All creation exists for God, is good, and was created to bring Him glory.

1 Samuel 1:1-2:11.

THINK ABOUT IT: *(Use the commentary to reinforce the Big Truth.)*

Hannah was one of Elkanah's two wives. Elkanah and his wives lived in the hill country of Ephraim. Elkanah's one wife, Peninnah had many sons and daughters, but Hannah had none. Every year, Peninnah would provoke Hannah and taunt her about being childless. Hannah was very sorrowful that she had no children. She prayed, asking God to give her a child. She begged God to bless her with a child. Hannah knew that children came from the Lord and she desperately wanted a child. God heard Hannah's cries and He blessed her with a child. God gave her a son and Hannah called him Samuel. When Hannah asked God to give her a child, she made a promise to God if He gave her a child, she would give the child back to Him in service. Hannah kept her promise. When she had weaned Samuel, she took him to the temple and gave him to Eli the priest to serve the Lord. Children are a gift from God. He chooses who has children and who doesn't. He blesses people with children because He is the Creator of all life.
