BIBLE STORY: LUKE 1:5-17; MATTHEW 3:1-12

God has a plan and a purpose for each person. He had a plan and purpose for John the Baptist. He revealed His plan to John’s father, Zechariah. God’s plan for John was fulfilled as John the Baptist prepared the way for God’s own Son, Jesus.

STORY: CREATION

God created everything. Everything we see, hear, feel, taste, and that exists was created by Him. Not only did He create everything, but He created everything perfectly, including humanity. He created mankind in His very image and likeness to reflect His worth. All of creation was made just like He wanted and designed it to be. To His delight, God looked at everything He made and declared that it was good. All creation exists for God, is good, and was created to bring Him glory.

THINK ABOUT IT: *(Use the commentary to reinforce the Big Truth.)*

God had a plan for John the Baptist long before he was born. John's dad, Zechariah, received a visit from an angel of the Lord. The angel had great news for Zechariah. Zechariah would have a son and that son would live a different kind of life. Zechariah's son would be used by God to prepare the way for God's own son. The angel gave Zechariah specific instructions about how John should be raised. Zechariah listened to God and did what the angel told him to do. He and his wife raised John exactly as God instructed them to and when the time was right, John began fulfilling the purpose that God had created him for. John began preaching in the wilderness of Judea that the Messiah, or God's Son, was coming soon. John began preparing people to hear the message that Jesus would soon preach. God had a plan for John and His plan was fulfilled. God has a plan for each person and His plan will be fulfilled. He created us in His image to be a reflection of Him to the world. John fulfilled this plan. John reflected God to the world and helped prepare the way for Jesus. God's plan for our own lives will be fulfilled.

As a family, memorize Psalm 138:8 by spending time each day saying the verse over and over.

Spend some time this week making honey sandwiches. Use pretzels for locusts. As you eat your sandwiches, talk with your child about how different John was and how he was created in God's image. Remind your child that we are created in God's image too.

Help your child create a plan to do something this week, such as plan a special meal or create a project. As you help your child make the plan, talk with him about how sometimes we make plans that don't happen, but God's plans always happen.

Share with your child about the ways that God has directed your steps in life. Share an experience when God has guided you and fulfilled His purpose for your life. Remind your child that God will fulfill His purpose for her life, too.
