**STORY: NEW CREATION**

Part of the beauty of the gospel is that God does not just rescue us from the power of sin, but He is also making everything new. God offers new creation to those who place their faith in Jesus. This newness comes in two ways. The first is that by breaking the power of sin, Jesus is making men and women into brand new people with new identities. Second, God is not only making people new, but He is also going to make a new heaven and a new earth for us to live on and worship Him in.

**BIG AIMS**

**Every child should know that:**

Bring in small plastic cups, a bag of rice, and plastic spoons. Give each child a plastic cup with rice in it, an empty cup and a spoon. Ask the children to move the rice to the empty cup one grain at a time with the spoon. As they try to do this, explain to them that it would take a really long time to move the rice one grain at a time. Ask them to imagine how long it would take to move all of the rice in the world one grain at a time. Tell them that eternity is much longer than that. Eternity is forever.
