## **BIG IDEAS**

- A new heaven and earth is coming.
- A people made new from every tribe and nation is coming.
- New worship that is holy and undivided is coming.

## **KNEEL - I AM AN AMBASSADOR**

The Kneel Year is an exploration of what it means to worship God with our all (Luke 10:26-28). Worship is not something that is limited to a service once a week, but instead occurs every day, in all of life. We are unceasing worshipers. Worship never stops, it only changes directions. In order to worship God with all of our heart, soul, strength, and mind, we must embrace our identity as image bearers. It is out of that identity that we can begin to live for God’s glory in all of life (Colossians 3:17).

## **FAMILY WORKOUT:**

This week we will consider how to lead our son or daughter to understand the truth that God is making all things new. We will pray with them to boldly share the gospel with their friends and we will lead them to practice telling others how God will make the earth new.

**Read and meditate on Revelation 21:1-8 and 22:1-7 this week. As you meditate on these verses ask yourself these questions:**

- Do you live as if God is making all things new and your true home is in eternity? How can you model for your son or daughter what it looks like to tell others about the gospel? What distractions keep you from modeling a true worship of God alone?

Consider how you can help your son or daughter practice sharing the gospel this week. How can you model telling others about our eternal home and the hope that brings to help your son or daughter share with others?

**Set aside time each day this week to pray with your son or daughter in the morning.**

- Pray for them to begin each day with boldness to tell others about Jesus and to live for Him now as we all will live in our eternity.
- Pray with your student this week. As you pray, pray they would grow in their understanding of what the new earth will be like. Pray they would share this truth with others.

**Help your son or daughter memorize Revelation 21:5 this week by memorizing it with them.**

- Talk about what this verse means and the hope it brings you.
- Help your son or daughter grow in their understanding of how God makes all things new and what the new earth will be like by doing a study of Revelation 21:1-8 and 22:1-7 with them. Talk through some of the ways the new earth will be different than our world now and how this is good news to us.
- Help your student practice sharing the gospel this week by guiding them to practice. Help them talk through ways they could share with someone and any fears they may have.
