- God's love changes our hearts.

BIBLE STORY: LUKE 15:11-32

God's love is unconditional. It is never dependent upon our obedience. Jesus shared a parable of a father whose love for his son was unconditional. The father of the prodigal son didn't stop loving his son when he left with his inheritance. When his son made poor choices and ended up with no money, the father didn't stop loving him. The father loved his son regardless of what his son did. When the son returned, he was met with open arms and a celebration. This is a picture of God's love for His children.

FOUNDATION: GOD IS LOVE - GOD GIVES HIMSELF

God is love. Love is not just something that God does, it is who He is. God's love is perfect and unchanging. It is not simply an emotion or feeling, but it is an unbreakable commitment. His love is displayed to humanity and all of creation by giving us the greatest gift in all the universe....Himself! Even when humanity rebelled against God, He still displayed his love and commitment to us by sending Jesus to redeem us. God's character of love is displayed throughout human history in that He loves us even when we do not love Him back. The way that God demonstrates His love for us is by sending Jesus to die in our place.

but God shows his love for us in that while we were still sinners, Christ died for us.

No one is worthy to be saved.

- There is no person who is good enough to be saved.
- No one deserves God's love or to have Him send His Son for their sin debt.
- All are sinners and unjust before God.
- We are all in need of a substitute.

God provided redemption for us when we were sinners.

- None of us can be saved or pay our sin debt on our own.
- We all need a substitute to pay our sin debt.
- God provided a substitute for us even though we were still sinful.
- God provided a substitute for us because of His great love for us, not because of anything that we did or do.
- Nothing we did or do caused God to love us so much that He would send a substitute for us.
- He chooses to provide a substitute for us out of His own love for us.

God's substitute completely satisfies Him.

- God provides a substitute for people through His Son Jesus and God is completely satisfied in His substitute.
- Only God could provide a substitute for us that would completely satisfy Him.
- God chooses to provide a substitute for us even though we are so sinful and undeserving.
- God is a just and loving God in all that He does.

GOD LOVES US EVEN WHEN
WE ARE UNLOVABLE**BIBLE STORY: LUKE 15:11-32***The Prodigal Son*

Supporting Scripture: Romans 11:36; Psalm 52:8; Psalm 36:7

Teacher Introduction:

God's love is perfectly beautiful. It is through His love that we understand what it means to truly sacrifice. We cannot know love apart from God. Jesus shares this truth with His followers when He tells the parable of the prodigal son. The youngest son did not make good choices. He chose instead to please himself and he did so while hurting his father. His father did not stop loving his son. Instead, he loved him more. His son did indeed use his money foolishly and found himself living among swine. A remarkable picture of God's love is seen in the father's response to his son when he returns.

It is not in our nature to overlook offenses. We are sinful people who do not know how to love. The father chose to welcome his wayward son with open arms and a celebration. He loved his son even though his son didn't do anything to deserve his love. His son was unlovable. He had foolishly run off and lost all of his inheritance. The father loved his son unconditionally. The father loved his son, not because his son was obedient or even loveable, but because he was his father. Our heavenly Father shows us what real love is by loving us when we are unlovable.

God celebrates our coming to know Him just like the father celebrated the return of his son.

- God loves each of us even though we are unlovable.

HOOKS

**God Loves The Unlovable**

On the board make a list of the ways that we disobey God. Help the children see that we all disobey God and do what we shouldn't do. Lead the children in a discussion about how God loves us no matter what we do.

- God loves the unlovable. He loves us even though we're sinful and disobey Him.
- God doesn't just love people who are obedient or lovable.
- He loves us all because He chooses to love us.

**God's Love Is Greater Than Our Sin**

Bring in a bucket and some heavy rocks. Have the children take turns trying to lift the bucket with the heavy rocks in it. The rocks represent our sin. Tell them that God's love overcomes our sin. It removes our sin. Remove the rocks from the bucket. It can be lifted easily now.

**God's Love Changes Our Hearts**

Bring in a balloon. Tell the children that the flat balloon is like our hearts before God's love. It is sinful and flat and empty. After we experience God's love, our hearts change. Blow the balloon up and tie the end. Let the children take turns holding the balloon. God's love fills us up and changes our hearts just like the air changed the balloon.
