BIG IDEAS

- God offers forgiveness through Jesus, who pays our debt.
- The debt that we owe to God is impossible for us to pay.

BIBLE STORY: MATTHEW 18:21-35

When Jesus' disciples asked Him how many times they should forgive someone, Jesus gave them a surprising answer. As many times as a person asks for forgiveness, we should forgive. Jesus shared a story with His followers that revealed just how much God forgives us. Our forgiveness should look like God's forgiveness and when we understand just how much God has forgiven us, we will forgive others.

FOUNDATION: GOD IS GRACIOUS - GOD GIVES FORGIVENESS

Every person who has ever lived has chosen to reject God, and we deserve to be punished. We deserve complete separation from God because we have willfully chosen to disobey God's law and run from Him. However, God is gracious in that He gives us exactly the opposite of what we deserve. Instead of punishment, He provides a way of salvation by sending Jesus to take the punishment we deserve. We deserve punishment, but instead, we receive grace. Grace is getting a gift that we do not deserve. The way that we receive grace is through forgiveness. When we confess our sins the Bible tells us that He is faithful and just to forgive us of our sins because of His redeeming grace.

BIG AIMS

Every child should know:

- That God is gracious
- That grace is when God gives us what we do not deserve and cannot earn

Every child should feel:

- Thankful for the gifts of grace that they have received

Every child should be able to:

- Recognize things that they have as gifts of grace from God

Every child should want to:

- To know about God's gift of grace through salvation and forgiveness of our sins

FAMILY DEVOTION: ALWAYS FORGIVE

God extends grace to us when He gives us forgiveness. When we understand how much He has forgiven us, we will forgive others as many times as they ask.

GOD FORGIVES THE DEBT THAT WE CANNOT PAY

BIBLE VERSE: EPHESIANS 1:7A

“In Him we have redemption through His blood, the forgiveness of our trespasses.”

God gives us redemption through Jesus.

- All are in need of redemption and none are worthy of it.
- No one does enough good works to deserve God’s redemption.

GOD FORGIVES THE DEBT THAT
WE CANNOT PAY**BIBLE STORY: MATTHEW 18:21-35***The Unforgiving Servant*

Supporting Scripture: Isaiah 57:15; Isaiah 43:25

Teacher Introduction:

Jesus' response to Peter's question on forgiveness shows us the Father's heart. Jesus shares a story about a servant who owed a debt so great that he could never pay it. When the king asked to settle the debt, the servant was unable. The king ordered the man and his family to be sold. When the servant begged for mercy from the king, the king showed mercy. Not only did the king not sell the servant and his family, he also wiped away the servant's debt. God is like the king in this story. He wipes away our debt through the blood of His Son, Jesus.

When the servant received forgiveness for his debt, he had a chance to show that same forgiveness to someone who owed him a debt. The servant chose not to show the same forgiveness that was shown to him. Instead, he demanded to be paid what he was owed. God's desire is for us to forgive others just like He has forgiven us. This means that we will continue to forgive because we have received much forgiveness. God has been gracious to us and has forgiven us a debt that we could not pay.
