TRANSFORM - LIVING IN PURSUIT

In High School, the Transform Year is an exploration of what it looks like to have transformed influence as we seek to live for a Kingdom that is greater than our own. First, we recognize that we will never be transformed if we are not Living for Jesus. To do this, we must first know who Jesus is by looking at who He says He is (John 8:58), and then look at what the Bible says about how in Him, we live by faith (James 1:6). Next, we recognize that to have transformed influence means that we must live as disciples in pursuit of Christ and His Kingdom over ourselves and our own kingdoms.

FAMILY WORKOUT

This week we will consider the truth that Jesus followers persevere. We will pray for a heart that seeks to rely upon the power of the Holy Spirit. We will practice relying upon the power of the Holy Spirit at work in our daily lives.

Read and meditate on 2 Timothy 1 this week. Use these questions to guide your meditation:

- Ponder ways to discuss with your son or daughter the importance of faith in persevering. How can you model growing in your own faith as a way of persevering?
- Consider how you can discuss with your son or daughter ways they can be daily aware of the presence of the Holy Spirit in their lives. How can you help them use the power of the Holy Spirit to live obediently for the Lord? How can you show them how to use the power of the Holy Spirit to overcome challenges?

Pray with your son or daughter this week.

- Spend time asking the Holy Spirit to help your son or daughter grow in their awareness of His presence in their lives every day.
- Pray with your student this week. Ask God to help them grow in their reliance upon His power in their lives to overcome challenges.

Memorize 2 Timothy 1:14 this week with your son or daughter by writing the verse on an index card and reviewing each day.

- Discuss with your son or daughter what the verse means.
- Discuss with your son or daughter some ways that you have learned to rely upon the power of the Holy Spirit each day. Help them determine ways they can daily rely upon the power of the Holy Spirit at work in their lives.
- Meet with your student to discuss ways that they can grow in their understanding that their walk should be fueled by their faith and understanding of God's grace in their life. Help them make a list of the ways that God has shown them grace.
